

Welcome to Camp Branch UMC!  
If you are visiting with us for the first time, below are a few things you may find helpful.

- **Where's the Door?** The above photo shows our three main entrances. The Office Entrance is the handicap-accessible entrance to the top level (including the Sanctuary and restrooms) of the building. To find the Sanctuary from this entrance, turn down the hallway on the right when you enter. The Fellowship Hall entrance is handicap-accessible for the basement level.
- **Parking:** We do not have defined parking spaces, and we tend to park wherever we feel like it that day (we're easy-going like that). Please feel free to park wherever is convenient for you, including the grass. We do ask that the handicap spaces near the office entrance remain available for those who need them.
- **Sunday school:** Sunday school begins at 10 AM. Currently, we have two classes. Ms. Dot's class is comprised of older ladies who meet in the library (use the office entrance and continue down the hall. The classroom is on the right hand side). The "downstairs class" is taught by Pastor Kelsey and meets in the fellowship hall. All ages are welcome in this class.
- **When to Show Up, What to Wear:** Worship begins at 11 AM, and meets in the Sanctuary. Please wear whatever you are comfortable in for worship. Our members usually dress casually but modestly (anything from jeans to slacks/dresses).
- **What to Expect:** With the exception of our pastor, we are not professional worshippers. Our services have an "order" and are thoughtfully planned, but our time together is informal. We share in written prayers together, listen to prayer, hear scripture and a sermon, give our monetary offerings to God, and sing hymns. Fair warning: we are not the best singers, but we sing anyway! If you are a great singer, we would love to have your gifts with us. If you are not a great singer, the more the merrier. Since the pandemic, we do not take for granted how great it is to get to sing together, regardless of what it sounds like.
- **New to church?** No problem. We are all learning how to worship together, and there are instructions given throughout the service to help you know what's going on.
- **Need to use the restroom during the service?** Yes, the doors to the restroom are at the front of the room, but you will not be disturbing us if you make your exit.
- **Kids with you?** We love having children in worship! Sometimes they make noise or roam around, but we know this is all a normal part of childhood development, and we welcome it! Yes, even during the sermon! We do have a nursery room next to the restrooms if you would like to take your child to play with toys, but please don't feel you need to do this on our account. We consider the presence of every child in worship to be a blessing.
